Re: Gene Gray  
Committeeman, Troop 61

Dear Harvey:

Thank you for your reply to our questionnaire concerning the above Scouter. From the information you provided, it is certain that your Mr. Gray is the same individual as one whom we have information. We therefore, regret to inform you that we cannot accept Mr. Gray's application.

When informing Mr. Gray about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Gray should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

Kindly delete Mr. Gray's name from your records.

Sincerely,

Paul I. Ernst, Executive

Re: Eugene W. Gray

Dear Ken:

Your November 30 letter concerning Eugene W. Gray with the enclosed photo copy of your confidential record sheet dated March 15, 1962 concerning Mr. Gray has been received. I must admit that we are quite surprised.

We have checked our records very carefully and we find that we do not currently have Mr. Gray listed. Further, we carefully checked all of our previous records, in particular during the early part of 1962, and we find no record of ever having received the report concerning Mr. Gray (we keep a daily log of all reports received); nor do we find any record of ever having put him on the file (again, we keep a daily log); nor do we find any record that we ever took him off the file (here, a monthly record is kept).

I am not in the least bit questioning that you sent us this information on or about March 15, 1962, but what I am saying is that we have no record of ever having received it or ever having taken any action in connection with it. In short, we have nothing on him at all.

On the basis of the information you have currently provided we are placing him on our file as of now. His original case has now been made stronger by the reference in your letter of the current three cases of sodomy filed against him by parents of boys related to his "Young Ambulance Drivers' Club". This is all the evidence we need.

There is one further point I would like to raise, however, and that is what caused you to write your recent letter and send the photo copy of the record sheet? Did you have some cause to feel that he might not be listed on our file? If so, we would be curious to know more about it. Or, is he currently registered anywhere else and you found out about it and wondered why and how? Or, was there some other reason that prompted you to write your recent letter when, presumably from your point of view, you felt that you had already listed him with us? We would appreciate more information on this if you would be so kind.

Best regards,

Sincerely yours,

Mr. Howard P. Boyd  
Director of Registration  
Division of Personnel  
Boy Scouts of America  
National Council  
New Brunswick, New Jersey 08903

Dear Howard:

SUBJECT: EUGENE W. GRAY

On March 15, 1962, we filed a Confidential Record Sheet requesting that Gene Gray be placed on the Confidential File. The purpose of this letter is to re-confirm this placement on the Confidential File in the event some effort should be made by this man to register in another Council or to capitalize on the name of Scouting.

The reasons stated on our Confidential Record Sheet on March 15, 1962 (copy attached) are still valid. This man has continued to be a thorn in the side of Scouting officials even though not registered and there are currently three cases of sodomy filed against the man by parents of boys related to his "Young Ambulance Drivers' Club."

Sincerely,

Kenneth W. Hickenbottom  
Deputy Scout Executive
